1. Definition of Semester Credit Hour:

- a. The instructional hour will be identified as 50 minutes. One semester credit hour will be identified as 750 minutes of classroom instruction or equivalent laboratory time.
- b. Colleges have the flexibility to use alternate schedules within a term as long as each semester credit granted allows for a minimum of at least 750 minutes of classroom instruction or an equivalent ratio of laboratory time. Colleges must adhere to the requirements of the Southern Association of Colleges and Schools (SACS) concerning non-traditional formats. The institution must demonstrate that students in such courses have acquired competencies and levels of knowledge comparable to those which would be required of students taking similar courses in more traditional formats.

2. The Annual Semester Calendar will typically consist of:

- a. Two semester terms (fall, spring).
