Participants in the TERI program retain all rights and benefits they held prior to entering the program, except grievance<sup>1</sup> and reduction in force rights, and TERI program participants are not subject to earnings limitations during the program period. While TERI program participants retain the same rights in positions held prior to entering the program, participation in the TERI program does not guarantee employment for the specified program period.

It is the further policy of the State Board for Technical and Comprehensive Education that the sixteen colleges and the System Office adhere to the corresponding procedure. This system-wide procedure conforms to State of South Carolina (Section 9-1-2210 of the South Carolina Code of Law, Budget and Control Board, Office of Human Resources, and South Carolina Retirement Systems) law, guidelines, and regulations. This procedure shall be followed upon the entrance of an employee into the TERI program, the completion/ending of an employee's participation in the TERI program, and upon re-employment of a former TERI program participant to State service.

The State Board may grant an exception to advertising a position vacated by a TERI program participant for the position of Technical/Community College President, if requested by the Area Commission, to meet the business needs of the System. Following a break of one regularly scheduled workday, an Area Commission may rehire a Technical/Community College President in an FTE position at the minimum of the salary range. Any additional compensation desired may be supplemented pursuant to SBTCE Policy 8-2-107, Salary Supplements; Technical College Presidents.

<sup>1</sup> Any employee entering the TERI program after June 6, 2005, will be exempt from the State Employee Grievance Procedure Act.
